10th

First Day of Term 3

13th

Student Led Interviews

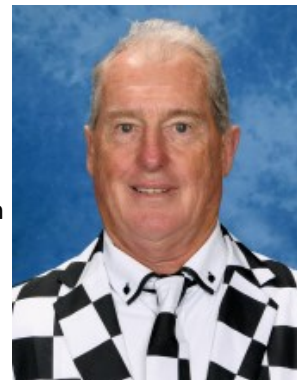

19th—21st

Year 3/4 Somers Camp

## NEWSLETTER - ISSUE 10 - 23 June 2023

### Principal's Report

Much work and construction will be started and hopefully some completed over the semester break. Our school roof will be redesigned and replaced in coming months and an outdoor classroom canopy will be constructed. The staff toilets should be completed, with the 3/4 Boy's toilets being completed by half way through Term 3. I am also crossing my fingers that the frog pond area will get some form of redevelopment if the material required arrives in time.

### School Build Upgrade

Thanks to all school community members who gave feedback regarding the planning phase of our school building upgrade. With student, staff and parent/carer ideas and information we can now submit Phase 1 of this process to the Victoria School Building Authority (VSBA) on July 13 after School Council have endorsed this first requirement. Phase 2, the design part of this process will be initiated once the VSBA indicate they are satisfied with our Phase 1 documentation.

### Student Led Interviews/Showcase

These interviews will only require student attendance at the interview on Thursday July 13. You will need to book the interview through Compass. Please make yourselves available to see and discuss all the great work your child has done for the first semester in 2023. Students need to be in full school uniform for the interviews.

Alternative arrangements have been made for a few classes due to leave by a couple of staff.

### Resumption of School for Term 3

Term 3 begins on Monday July 10 at 9.00am. Please make sure your child is here on time.

### Rosebud Engineering

I'd like to thank David from Rosebud Engineering. David whipped up another sink/bench construction for our Mud Kitchen. It looks great.

Eastbourne Primary School values our community so please, if you need some steel works done support David and his team. 13 Henry Wilson Dve, Rosebud West 5986 6666.
