## NEWSLETTER - ISSUE 16 – 6 October 2023

### Acting Principal's Report

Welcome back to all students, parents, staff and friends for Term 4. I hope you had an opportunity to relax and enjoy some time with your loved ones. For me, I spent a lot of time in the garden and did a little bit of school work here and there too.

### Security

Unfortunately during the school holidays we had a significant break in during the early hours of a Friday morning. Many items were stolen out of our shed along with tools from tradespeople who have been working on our rooves. An investigation is currently ongoing and we are hopeful for the tools to be returned. This act has delayed some of the building works along with maintenance work around our school.

I have invested into our school by increasing security with more lighting, cameras and regular patrols. If any school community members do notice anything suspicious out of school hours, we do encourage you to call 000.

I love the fact that our school grounds are utilised by the community to play basketball, football and for young children to play on the playground equipment. I would like this to continue.

### Building Works

The infant building has almost been completed and we will in the coming weeks have Rooms 1 to 6 back in their original rooms.

The office building is partially completed and access to and from the front office can occur. With car parking being very tight at the moment we ask that parents do not park in the car park out the front of the school office as there is limited space.

### Division Athletics Carnival

I had the pleasure of seeing some of our 12 students compete at the Southern Peninsula Division Athletics Carnival on Wednesday this week. All students should be very proud to make it to this level of competition. The southern division is one of the top divisions across the state.

LEARNING

COLLABORATION

COMMUNITY

RESPECT

At Eastbourne Primary School we value: Learning, Respect, Collaboration and Community. We are a RRR school – Resilience, Rights and Respectful Relationships. The RRR Program covers Social and Emotional Learning across all levels of primary and secondary education: Emotional Literacy; Personal Strengths; Positive Coping; Problem Solving; Stress Management; Help Seeking; Gender and Identity; and Positive Gender Relationships.

All students performed very well and should be proud.

Congratulations to Zac (Shot Put) and Jayden (Hurdles) who progress to the Regional Championships in a fortnight's time.

**InitialLit —Jodie Hornsby, Assistant Principal**

Eastbourne and Rosebud Secondary College have been working together to improve literacy outcomes for our students. This has involved some Professional Learning about the Science of Learning. We have been discussing latest brain research and how humans learn.

This was followed up with some more collaboration when the Literacy Specialist from Rosebud secondary delivered some learning for our Gr 3-6 staff about the explicit teaching of reading and analysing more complex text. She has also been working here onsite with some identified students from Year 6 to prepare them for Secondary School.

In F-2, staff have been learning about the Science of Reading and implementing a new program called InitialLit. We are very fortunate to be financially supported by the Mornington Peninsula Foundation to acquire this new program and resources. Our students have the best possible chance to have success in reading.

# Eastbourne Primary School

*Celebrating Success*

We acknowledge Aboriginal and Torres Strait Islander people as the traditional custodians of the land that Eastbourne Primary School is built on, that is Bunurong Land. Always was, always will be.

## Come and join us for Morning Tea and find out what support is available for you:

Come along to this session to find out what advice and assistance is available from the many agencies in our community, and chat to some of the people who are here to support you. Take this opportunity to look around the Seawinds Community Hub and see what is on offer.

Recent statistics show that worldwide events have left people in our community even more vulnerable to disconnection and the movement of economic conditions.

We would like you to accept this fridge magnet and this invitation to attend a community-based information session.

Please invite and bring along others who would also benefit, and take a magnet for them too.

Keep the magnet in a handy place so you know where to go to access advice or assistance when you need it.

**When:**

Thursday, October 19  
11.30-12.30

**Where:**

Seawinds Community Hub  
11A Allambi Avenue  
Capel Sound, 3940

For further information or any questions:

call Seawinds Community Hub on 5982 2204.
