### Principal's Report

Greetings all

What a great start to the term it has been at Eastbourne P.S. The students have settled back into the school program very well after the holidays. They are engaged, happy and looking forward to a big Term 2. When I walk around the classrooms during instructional time I am noticing how on task students are in their learning and how settled the classrooms are. Well done to everyone!

We have a number of events during the term to look forward to including the summer lightning prem, cross country, Grade 3/4 swimming, police in school visits, grade 3/4 camp, music camp and the winter lightning prem. Thanks to all the staff and parents who have helped organise and run these events. I'm looking forward to hearing the student's reflections from these events.

We have conducted a number of school tours for prospective new students and have many more booked in throughout the term. Our brilliant school captains lead the tours and do an outstanding job in showcasing what our school has to offer.

I am continuing the work of Mr Sharp and Mr Wilkinson in working with the VSBA in the planning and design phase of our new office block and upgrading of the existing learning spaces. When completed, this project will be an outstanding addition to our great school. More information on the proposed timelines and designs to follow soon.

Thank you to the entire Eastbourne P.S community in how you have welcomed and assisted me in starting my journey as the principal at Eastbourne P.S. I am thoroughly enjoying the opportunity to work with the wonderful Eastbourne staff and students and getting to know everyone and are looking forward to exciting times ahead.

### Parents & Friends

The P&F would like to say a big thankyou to the following businesses for their donations to help make our Easter raffle fundraiser a huge success: Daily Orders, Timeout accessories, Enchanted Maze, Top Fun, Moonlight Sanctuary, The Big Goose and Boneo Maze.

Have a wonderful weekend.
