NEWSLETTER - ISSUE 9 - 9 June 2023

Principal's Report

All staff have been working overtime recently to collect data about your child's progress, and also write this collected data up in the Report format.

As you already know, Reports will be sent out on Thursday June 22 with Student Led Interviews being held on Thursday July 13, the first week back in Term 3. If there are changes to this timeline as staff are on leave, then the required changes will be communicated to you.

Planning and Design Phase for New School Building Upgrade

We will be presenting the process for the Planning and Design phase of our school building upgrade at the June 13 School Council meeting at 5pm. If you wish to attend this session please come to the staffroom at the time above. If you have ideas for planning please let me know so we can get as much input as possible.

Supervision Times

Staff are on duty from 8:45-9:00am in the mornings and 3:15-3:30pm in the afternoon, so drop off and pick-up should occur within these time frames.

As a safety issue, we encourage parents and carers to drop off their children when supervision in the school yard is available. Students spend up to 7 hours a day at school and any longer (especially in the winter months) can be very taxing on their stamina and behaviour throughout the day. Please try to work within the hours above. For those who can't, Out of School Hours Services are available on site from 7.00am and up to 6.00pm.

Names on School Uniforms

Please make sure all uniform clothing is named. It makes it so much easier to return if we know who the clothing belongs too.
