TERM DATES 2016
Term 2 11th April-24th June
Term 3 11th July-16th September
Term 4 3rd October-20th December

Absence and Communication SMS
Eastbourne Primary School SMS number is 0427016460. Please remember to add this to your contacts on your mobile phone. It is a great way to keep in touch with the school!

PRINCIPAL’S REPORT

We are extremely fortunate to have the lovely large play areas at Eastbourne Primary School with many activities for our students to occupy themselves with during recess and lunch time breaks.

A sleeper pit 8X4 metres will be constructed near the cricket nets to give our children even more things to do. This construction houses a game called Ga Ga and is extremely inclusive of all students. Ask your child about this game and the simple rules used. Even those on the outside can participate.

School Council
The following issues were discussed and/or ratified at the June 6 School Council meeting:
*Parent Engagement Officer transfer of premises
*School Uniform
*I Have/U Need
*Yr 6 sleepover June 23 (Term 2)
*Change of date for Student Led Interviews
*Date for an Extraordinary Meeting
*Principal Contact

Toiletries Required
The Southern Peninsula Community Support and Information Centre are collecting tooth paste, tooth brushes, toilet paper and laundry powder. If you would like to donate some of these new essentials please bring them to the office. These items will assist those on the Peninsula who are struggling purchasing such everyday requirements.

School Uniform
The School Council has ratified the introduction of the new polo shirt (option 2). It was also decided to phase this top in over 3 years when it will be made compulsory. A payment plan will be introduced for those who have difficulty paying for the top. A subsidy may also be introduced to offset the cost.

Student Led Interviews for Rooms 3 and 4
Due to the absence of Mrs Fenney and Mrs Harbour on the day of our Student Led Interviews in Term 3, arrangements are being made to have these this term.
Free Dental Service
We have arranged for the Future Care Mobile Dental Services to come to school and check all children’s teeth for free. This service includes scale, clean, polish and removal of deposits and recommendations -and it’s done at school. Fill out the consent form distributed last Thursday and a free dental service will be provided for your child.

Reports and Student Led Interviews
End of Semester Student Reports will be sent home on Thursday June 23.

The follow-up Students Led Interviews will now take place on Friday July 29. A note will go home in the first week of Term 3 so online interview bookings can be made for Friday July 29.

As with previous years your child is expected to attend the interview with a parent, but will not be required to attend for the day. This whole day (9a.m.-6p.m.) has been set aside so meaningful discussions can be held between parents and teachers during a presentation by each student.

Five Cent Friday
Don’t forget to bring in your five cent pieces every Friday for our “Five Cent Friday” collection. This money is used to increase the ingredients cupboard in the kitchen garden. All the children thoroughly enjoy the extras this enables us to supply.

Stephen Wilkinson
Principal

REUSE, RECYCLE, REDUCE!
Thanks to everyone who have been filling up our recycling box in the Multi Purpose Room. Most things you put in the recycling bin at home can be used. Boxes, old tins (spaghetti, soup etc nice and clean please), polystyrene meat trays. Someone has even gone through their old birthday cards and cut out all the pretty pictures that we can use for collages. Keep the great recycling going—it is so important for our environment!

NEW TO CANTEEN
Get your veggie fix with our new Veggie Supreme Pie. freshly cooked mix of pumpkin, eggplant, zucchini, onion, mushroom and capsicum smothered in creamy mashed potato and wrapped in golden puff pastry for just $4.00!
They are delicious and available now.
YOU CAN DO IT
The main purpose of You Can Do It is to support communities, schools and homes in a collective effort to optimise the social, emotional, and academic development of all children and young people. Its unique contribution is in identifying the social and emotional capabilities that all young people need to acquire in order to be successful in school, experience well-being and have positive relationships.

For many years the You Can Do It program has been the anchor for Social Emotional Learning at Eastbourne – this program is evidence based learning of important social and educational skills for life. The program is highly recommended by KIDSMATTER. Classes are given dedicated lessons in the program from years 1 to 6 and in grade prep the characters who are associated with each of the 5 foundations or keys covered in the program are introduced.

If you take a look at the art work displayed around the school you will find many are You Can Do It based.

In a Nutshell the program delivers lessons on 5 key foundations to success at school.

1. Persistence
   * Trying harder even when things are frustrating
   * Motivating yourself to keep going even when the rewards are small
   * Rising to challenges with your best efforts

2. Organisation
   * Putting things where they belong
   * Setting goals for yourself
   * Planning ahead to meet those goals

3. Confidence
   * Not being overly concerned about making mistakes
   * Trying different activities without fear
   * Being independent but not separate

4. Resilience
   * Staying calm when you are upset
   * Bouncing back from difficult situations
   * Remaining positive in hard times

5. Getting Along
   * Working cooperatively with each other
   * Resolving conflicts without fighting
   * Showing tolerance of others’ differences

Each term we focus on one of four of the keys. The exception is Resilience which is covered in all terms. In term one we covered Organisation, this term we covered Getting Along and next term we will be covering Persistence.

Have a look at the following website for more information about the program -

Brett Pascoe – (Assistant Principal – Student Wellbeing) - pascoe.brett.w@edumail.vic.gov.au
Teaching and Learning Report

Developing our School’s Vision and Values
Over the past several years, Eastbourne has undergone some significant changes that have revolutionised the way that teachers teach and students learn. Much of this has centred around the concept of personalised learning, and supporting and developing students’ and families’ engagement and wellbeing. This work has had profound effects on the success of our school.

Did you know:
- Eastbourne Primary School is currently ranked by parents in the top 14% of schools in Victoria in parents’ overall satisfaction with the school?
- 32% of Eastbourne students achieve high-growth in their reading development on NAPLAN assessments, compared to the state benchmark of 25%?
- The school’s state percentile ranking in perceptions of student safety has doubled in the last 3 years?
- Our students’ feelings of motivation to learn at school has increased to the top 25% of schools in Victoria?

We are proud of our work, and believe we need to share this information with our community. Recently we have been reviewing our vision and values to embed the ways of working that have helped achieve our success.

Our core values are:
- Learning – all members of our school community (including students, parents, staff, leaders) are constantly making improved growth.
- Respect – we aim to behave in a way that acknowledges all people’s (including children’s) feelings and sense of wellbeing, and care for our and others property and environment.
- Collaboration – we work together to improve outcomes for students and the school community.
- Community – we recognise and promote the progress of our wider community in supporting children’s development, and work in partnership for improved outcomes.

We are also currently working on a revised mission statement for the school which we will share with the community shortly. If you would to have some input into this process, please contact us.

Student-Led Interviews – Change of Date
Please note that school council has approved a change of date for the Student-Led Interviews, which will now take place in Term 3 on Friday 29th July. Sue Harbour (Room 4) and Sue Fenney (Room 3) will be on leave during this period, so these classes will have their interviews this term on Thursday June 23rd. Dean Hornsby (Room 7) will also be on leave, and Room 7 will have their interviews on Monday 25th July.

Hugh Greer Assistant Principal – Teaching and Learning greer.hugh.a@edumail.vic.gov.au

Sports Report

Winter Lightning Prem Results:
Football – 3rd
Netball A – 2nd
B – 5th
C – 4th
D – 4th
Boys Soccer – 4th

Chaplain’s Chat!

'Responsibility'. According to the Centre for Parenting Education being responsible is a key to success both in school and the larger world when children grow up. By carrying out the “Executive” role, parents can avoid pitfalls of over-indulgence, help their children to feel good about themselves, and learn to be responsible.

This includes:

- Setting limits
- Saying no
- Holding children accountable
- Establishing and enforcing rules
- Setting expectations
- Encouraging children to give back in some way
- Assigning chores and making sure they get done
- Setting and following through with consequences

A big congratulations to all the children who have the honour of being named Student of the Week, we are proud of you all.
Bakers Delight at Rosebud Plaza have been an amazing supporter of our school. They donate bread to our breakfast program on a weekly basis.

**Parents and Friends News**

Our next big fundraiser, which is a raffle with some major prizes donated from businesses from the Peninsula and beyond including dinner vouchers to the value of $50.00, quality meat from local butchers, amazing children's and adults novels, art deco items, major children's entertainment vouchers including Top Fun Mini Golf, Melbourne Museum and many, many more.

Raffle books were sent out last week and we are looking forward to your support of this fundraiser.

**Breakfast Club**

Every Day for Everybody
8am to 8.50am

Eastbourne Primary School would like to acknowledge the generous support of the following businesses/community members who have supported the Breakfast Club Program in 2016.

*Bakers Delight (Rosebud Plaza) * Illaroo St Milkbar
* Waterfall Gully Bakery *Rangas Bakery *The Peninsula Life Church and Katrina Barry for donating bread.

Jane Griffin—On behalf of the Parents and Friends Association
