Hi Everyone,

Olympics Fever has hit Before School Care with students creating some wonderful Olympics Art Work and their display is really starting to take shape. Pop in and have a look as their back wall just gets bigger and better!

It has been chilly this week but the kids have been so keen to play in the Gaga Pit we have braved the elements when there has been a hint of sunshine. They just love it and have a fantastic, fun time.

Monday Night is homework night and when available we use the library so we have more access to computers. Please just let us know if you would like us to work with your child on a particular project.

**Vacation Care Program**

Due to the number of children from Eastbourne and neighbouring schools requiring care during the school holidays we will be sending out the program and enrolment forms this week. We understand that sometimes it is difficult to roster work timetables so far in advance but urge you to make your bookings as soon as you are able to.

Activities in the September Program include an excursion to the Moonlit Sanctuary, Beach excursion, Carnival Day with Jumping Castle, Guessing Booth, Face Painting and of course Footy Day on the last day.

Danielle, Tanisha and Kylie
