

ISSUE 3

9 MARCH 2017

Hi Everyone,

Before and After School Care

What a fantastic display we have made for our Under the Ocean Theme on the back wall in the Multi Purpose Room. Snorkel faces, rainbow fish, giant octopus, finger painted sea horses, paper plate turtles, toilet roll sharks it just looks amazing. Please come in and have a look if you haven't noticed it already. The kids have been working really hard and are very proud of their display. As well as having lots of fun making some crazy craft we have also been learning some interesting facts about the sea creatures.

Vacation Care Program

The program is really filling up so please contact the office if you require care. There are some great excursions and activities. A reminder too that we are offering care for tomorrow's Curriculum Day. The program will be open from 9 to 3.15pm for those parents who have booked their children in.
