Enter THIS school event code:
Then follow the 3 simple steps below.

When you click finish, your interview timetable will be emailed to you automatically-
check your junk mail folder if you do not receive your email immediately.
You can return to www.schoolinterviews.com.au at any time, and change your interviews-
until bookings close.

For parents that don’t have access to the internet at home, at work, at a friend’s house or on their phones, computer kiosks will be available at your child’s classroom, so that parents can still make their own bookings. Parents may send a note to school with the approximate times they require, or phone the school on 5986 4884, and book over the phone. Our office staff can assist you with booking these times either over the phone or face-to-face at reception.

Interviews are strictly 10mins and spaces are limited. If you require more time, please contact your teacher directly to make alternative arrangements.

Students are not required to attend the interviews. The purpose of these sessions is for parents to provide information to their child’s teacher that will assist in meeting their personal learning needs. At this stage of the year, teachers will not be able to provide you with detailed information on your child’s learning progress. Teachers will provide you with an opportunity to discuss your child’s progress later on in the year.

Parents can change their interview bookings, any time prior to the closing date, by re-visiting the www.schoolinterviews.com.au website, and using the event code. Remember to use the same name and email address, you used when you made your original booking. Parents wishing to change their interview times after the closing date, should contact the school directly on: 5986 4884.
