Dear Parents,

Our brilliant camp for Year 3's to Camp Manyung will be taking place on Monday 9th October – Wednesday 11th October. We have had several people express interest in assisting us at camp and would like to thank them for doing so. Due to the cost of camp, we are only able to take a certain amount of adults and therefore need to enter a process of selecting 1-2 people to join us. In order to do this fairly, we are asking any parent who is interest in attending, to provide us with addition details outlining any qualifications they have that may benefit the children and return the slip below by Monday 18th September so we are able to select and notify you accordingly.
