30th November 2017

Dear Parents and Guardians,

As part of our Economics unit of study this term, we will be having a Year 5 – Rooms 15 & 16 - Trade Fair in Week 9 on Friday December 8th in the Hall. You may have heard your child talking about this! Please help your child select an item/items that your family/friends no longer need in which they can 'sell' (i.e. give) to other students. No expensive items please. Students will be earning tokens up until then for things like being at school every day, working hard in class, showing cooperative skills, being resilient, etc. On the day students will set up a stall in which other students can "buy" items using their collected tokens. No actual money will be involved. No other classes will be involved. Any items your child brings to school that are not 'sold' will be brought back home with them. Please do not buy any items. We can help out if you do not have any old goods....

Please do not hesitate to contact us if you have any queries at all!
Michelle Eakins and Jodie Hornsby.
