*The school and the community in joint partnership for 39 years of teaching and learning for our children.
'A Kids Matter School because kids do matter at Eastbourne Primary School.'*

Eastbourne Primary School provides high quality and engaging educational programs that encourage opportunities for success. We promote positive values within a safe, supportive and caring environment for our school community.

We acknowledge that Eastbourne Primary School is built on Boonerwung land.

PRINCIPAL'S REPORT

Welcome to another exciting year in education at Eastbourne Primary School. A huge welcome to all our new students both prep and those who are joining us throughout other areas of the school. A big welcome to all the new parents and staff. A detailed list of staffing is attached.

As always the school is looking in great shape thanks to the work done by Ron White and Mick Ross over the Christmas break. A big thanks to all staff who have committed themselves over the holiday break to setting up their rooms in preparation for the first day of term 1.

The Office Staff also need a big thankyou for arranging the books and administration over the term break. Thanks Mandy and Glenda.

New Staff

I'd like to welcome Mrs. Jade Arnold and Ms. Shannon Brander to the Eastbourne Primary School Community. Jade will be teaching Year Prep and Shannon will teach Year 2.

Newsletter

From the beginning of 2018 our newsletter will be available electronically only. For those who cannot access the newsletter through their phone or do not have a computer, please contact the office to make other arrangements.

Parents Reminders

On any given day, the office staff are over run with requests and reminders by parents for their children. Can I ask that pick up arrangements and any other reminders be given by yourself to your child in the morning of that day so the office is not under pressure at the end of the day and your child may as a consequence not receive their message on time.

Books

If you haven't paid for and collected your child's books please do so as they will be returned to our suppliers next week.

Library Books and Resources

In previous years, library books, readers and other resources from around the school are sometimes borrowed by students and not returned. If you have any school books and resources from Eastbourne Primary School they can be returned by placing the item in a box just inside the library door.

Car Parking

Please continue to observe the etiquette required when using the parent car park. A reminder to everyone that the staff car park is for staff **only**. 40 kph is the speed limit around the school precinct. In particular, please **DO NOT** use the disabled carpark unless you are legally authorised. **Parents who had special permission to use the carpark in 2017 need to speak to me before making use of this privilege this year as circumstances do change. For student safety reasons you will be asked to leave the staff carpark before and after school.**

School Council Elections

Please read the attached information and go to the office and collect a nomination form if you would like to be part of this important school decision making body. There are 4 parent and 3 staff positions available for 1 or 2 year tenders.

Hot Weather

It is extremely important that your child wears a broad brimmed hat every day. Sun cream on the face before leaving home is also something to be encouraged. **Remember not to leave children for any length of time in cars on hot days.**

Canteen

The canteen will open for sales at recess/lunch and for lunch orders on Monday 5th February. A canteen menu will also be sent home today.

Breakfast Club

Breakfast Club begins on Thursday February 1nd from 8 a.m. This program runs every morning of the week throughout the year.

Walking School Bus

The Walking School Bus begins **Friday February 2** from the pool car park in Colchester Road. The bus leaves at 8:30a.m. on Mondays, Tuesdays, Wednesdays and Fridays.

School Council

At this stage there are 4 parent and one community member positions for the Eastbourne Primary School Council in 2018. This is an opportunity for parents to access a closer understanding of the workings of our school and participate in some of the decision making processes within the school.

School Council wishes all parents to be aware of the Election of School Council members that occurs early in term 1. The following guide for these elections is set out below. For those unfamiliar or requiring more insight about this process, I have included some information to assist your understanding. Please don't hesitate to contact me if you need further clarification.

The process of the elections remains unchanged:

*call for nominations

*nominations close, at least seven days later

* ballot papers circulated, at least seven days before the close of the ballot

*ballot closes seven days later. This must be fourteen days after the close of nominations

* poll declared.

The following is the Time Line for the 2018 Eastbourne Primary School Council Election process.

*Thursday 1st February 2018: Term 1 commences

* Thursday 1st February 2018: Call for nominations

*Friday 9th February 2018: Nominations close.

Display list of candidates, nominator and seconder

· Monday 20 February: New council to meet at 6.00 p.m. in the staffroom (if no election required)

If there is a need for a ballot.

*Friday 16 February: Distribute ballot papers by this date

* Monday 19 February: Close of ballot.

* Tuesday 20 February: Count votes and declare the poll

* Monday 26 February: New council to meet at 6.00p.m. in the staffroom

Immediately following the declaration of the ballot, the first meeting of the new school council can be called. This meeting is chaired by the Principal and the School Council co-opts up to 2 community members. This meeting will elect the council office bearers. The second meeting can follow on immediately after the confirmation of community members.

What is a school council and what does it do?

All government schools in Victoria have a school council. They are legally formed bodies that are given powers to set the key directions of a school within centrally provided guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

Who is on the school council?

There are three possible categories of membership:

A mandated elected parent category. More than one third of the total members must be from this category. Department of Education and Training (DET) employees can be parent members at their child's school. **A mandated elected DET employee category.** Members of this category may make up no more than one third of the total membership of school council. The principal of the school is automatically one of these members. **An optional community member category.** Its members are co opted by a decision of the council because of their special skills, interests or experiences. DET employees are not eligible to be community members. The term of office for members is two years. Half the members must retire each year and this creates vacancies for the annual school council elections.

Why is parent membership so important?

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school. Those parents who become active on a school council find their involvement satisfying in itself and may also find that their children feel a greater sense of belonging. How can you become involved? The most obvious way is to vote in the elections, which are held in February or March each year. However, ballots are only held if more people nominate as candidates than there are positions vacant. In view of this, you might seriously consider:

- *standing for election as a member of the school council
- * encouraging another person to stand for election.

Do I need special experience to be on school council?

No. What you do need is an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

What do you need to do to stand for election?

The Principal will issue a notice and call for nominations in January/February. For parents, this notice will be done through this newsletter. If you decide to stand for election, you will need to arrange for someone to nominate and second you as a candidate in either the parent category or DET employee category or self-nominate (there are forms for both types of nominations). Once the nomination form is completed, return it to the principal within the time stated on the notice of election. If there are more nominations received than there are vacancies on council, a ballot will be conducted in the two weeks after the call for nominations has closed.

Remember...

- * Ask at the school for help if you would like to stand for election and are not sure what to do - 59864884
- *Consider standing for election to council next year.

Be sure to vote in the elections

Notice of Election and Call for Nominations

An election is to be conducted for members of the School Council of Eastbourne Primary School

Nomination forms may be obtained from the school office .

The ballot will close at 4.00 pm on Friday February 9 2018.

Following the closing of nominations a list of the nominations received will be posted at the school. The terms of office, membership categories and number of positions in each membership category open for election are as follows:

Parent member From the day after the date of the declaration of the poll in 2018 to and inclusive of the date of the declaration of the poll in 2019

DET employee member From the day after the date of the declaration of the poll in 2018 to and inclusive of the date of the declaration of the poll in 2019

If the number of nominations is less than the number of vacancies, a notice to that effect and calling for further nominations will be posted in a prominent position at the school.
