## EASTBOURNE PRIMARY SCHOOL OUT OF SCHOOL HOURS CARE NEWSLETTER

19 April 2018

### Before and After School:

Welcome back hope everyone had a great and safe school holidays. This term in OSHC we will be working on feelings such as kindness, empathy and gratitude. We will be doing activities to encourage and show others different ways to express our feelings. Also letting others know how we feel positivity about them.

In OSHC we are changing the way we send out the weekly accounts, we will be emailing accounts out from the week of May 21st. If you haven't already please make sure you give your email address to Kylie or Tanisha.

### Vacation Care:

What an amazing Vacation Care we all had, lots of friends reuniting from all the schools in the area. A couple of highlights of the holidays were Lionel Lauch coming to visit us who is a Gunditjmara Gunditjmara Kirraw Wurrung - Bundjalung man, who lives on the Mornington Peninsula. Lionel is passionate about his cultural heritage and people, he embraces the opportunity to share his knowledge of the land and educate others about his culture through guided walks 'on country', didgeridoo healing, meditations, smoking ceremonies and talks. We were very lucky Lionel gave us a walk around our school grounds, talking about bush tucker that we have here that was used for nutritional and medical purposes, along with plants that his people used to for things we take for granted, such as the Malaluka tree (Paper Bark Tree) was used to make glue, to glue up wounds and also used for babies like our nappies. Another highlight was our trip to Scienceworks and a shopping trip to Harbour Town, were the children had their own money to walk around and buy purchases of their choice.
