16th August 2018,

Dear Parents/Carers,

This term we have been lucky enough to enjoy the Kitchen Garden Program with Kelly.

A vital part of the program teaches students to grow fresh, seasonal produce and use it to prepare nutritious and delicious food. Students are given all the skills, experiences and role modelling they need to learn their veggies and make healthier choices about what to cook and eat, for life.

To further reinforce our Kitchen Garden Program your child will have an opportunity to visit Woolworths on the dates below.

Students will be shown just how delicious, healthy, and even fun, eating fruit and veggies can be and discover and learn more about the colourful world of fresh produce.

All students will receive a show bag after our visit and we will be travelling by bus at the following times:

| | | |
|-----|----------------------------|---|
| R8 | 5 th September | Leave School at 11.15 and return at 12.30 |
| R15 | 6 th September | Leave School at 11.15 and return at 12.30 |
| R7 | 12 th September | Leave School at 9.45 and return at 11.15 |
| R10 | 12 th September | Leave School at 11.15 and return at 12.30 |
| R16 | 13 th September | Leave School at 11.15 and return at 12.30 |

Cost for this excursion is \$2.00 to go towards the bus.
