URBAN CAMP FINAL REMINDERS

The time has come! Attached: The camp timetable for you to put on the fridge at home!

We will collect your child's spending money for the Queen Victoria Market in a named and sealed envelope in the amphitheatre on the morning of camp. It will put it in a safe at camp and we will give it back on Friday morning. Any other money (eg for souvenirs) is the responsibility of your child. They may have a purse or wallet in their day back for such purposes.

ALL **MEDICINES**, clearly labelled with name and dosage, to be given by yourself to staff on the Tuesday morning with any extra hand-over instructions. We have collated all the medical information, but understand there may be new medications to be administered since you completed the forms. ALL asthma puffers to be kept in your child's day back to gain easy access please.

Reminders to pack: A small day pack containing water bottle, hat, sunscreen and **lunch** for the first day. In main bag don't forget a spare plastic bag for taking wet towel and bathers back from MSAC to camp. Lightweight bike pants a good idea to pop in to prevent any chafing of thighs. We do a lot of walking!

Review luggage list sent out last term. We are upstairs at camp and your child will need to carry his or her bag to the bunk room. Better to have a couple of smaller bags than one large one. **NO PHONES** please. We will take plenty of photos that your child can copy back at school to keep as a memento if they wish. The camp has a policy of **NO AEROSOLS** because they can set off the alarms. Please clearly label as many personal clothing items as you can. Unlike other camps, torches will not be needed. Any further questions, please don't hesitate to ask!!

Date of Camp	BREAKFAST		LUNCH			DINNER
