Dear Parents,

**Year Six Graduation – Wednesday 19th December, 2018**

As we begin a very busy Term 4 preparations have begun for the Year 6 Graduation. We thought that families would appreciate some information on what is expected of the students and what occurs on the night. Due to available seating, it is anticipated that only immediate family will attend the ceremony.

Students will arrive for the graduation ceremony at 5.50 pm and should be dropped at the Recreation Centre, by the side door closest to the basketball court. Parents, families and friends are then asked to move into the hall for the ceremony to commence at 6pm. During the ceremony, awards will be presented.

After the ceremony there will be a small window of opportunity open for photos to be taken. This will be followed by a meal for the children and staff and then a disco. We require parents to pick the children up from the multi-purpose room, promptly at 9.30 pm as the children will have had a long day.

As already advised we set a high standard for our dress code. This really adds to the formality of the occasion. Therefore, we are giving prior warning that there will be no blue denim. Boys are to wear pants, a collared shirt and black or tan shoes. Girls are to wear a skirt, dress or dress pants. The dresses need to be of an appropriate length and not strapless. If children are wearing heels they will need to be comfortable in walking across a polished floor. We ask for no midriff to be showing. Having said this, we do not expect or encourage parents to go to great expense. The best outfit in your wardrobe is a good measure. Girls are not expected to buy a one off graduation dress, and in the past boys have often been able to borrow a suitable outfit. Please note limousines are not appropriate for this event.

Thanks

Year 6 Team
