The 100th day of school is approaching! It is on Fri 2nd Aug. In celebration of being 100 days smarter, we want students to come to school dressed like they are 100 years old! Please don't think you have to go out and buy anything. Here are a few ideas that involve items you might just have around the house! The only thing I ask is that it is school appropriate of course and REAL shoes are worn, no slippers please. I'm attaching some ideas to the back of this sheet! I can't wait to see all the creativity!
