## Junior Sub School (Foundation- 2)

The F-2 area will be participating in fun activities, athletic events and challenges, starting at 10.00am and concluding at lunchtime (12.40). Seawinds Kinder will also be joining in with our activities.

*Participation is the most important aspect of the day.*

*Being 'active for life' is the message being promoted. Sport and recreation is a great way for our students to have fun and get fit and active at the same time.*

*So be part of it!*

Asthmatics should carry their medication with them, especially if they suffer from exercise induced Asthma.

We hope plenty of parents and friends are able to come along and cheer our students on.

Remember to be sunsmart as

we will be outside all day!
