18<sup>th</sup> March 2020

Dear Parents and Carers,

As previously communicated we will update you regularly as we receive new information or procedures concerning the COV19-ID (Coronavirus).

We understand some parents are choosing to keep their children at home at this stage. This is your personal decision, however we ask that you let us know so that we can correctly code your child's absence on COMPASS. The most effective way to communicate this is on COMPASS or by phoning the school.

Note that we are busy working on home learning programs for students in the event of a full closure. In the meantime, if you are choosing to keep your child at home now, the best thing we can advise are to make use of online learning such as Mathletics and Reading Eggs. It is also important to maintain home reading as well as to encourage daily writing, which may include writing a letter to friends, a diary or narrative story writing.

Please be assured that teachers and staff are ensuring all students have opportunities throughout the day to wash their hands and are reminded of good food hygiene practices.

Finally, please follow the government's advice for yourself and your family if you are feeling unwell.

Thank you for your understanding and patience during this challenging time. Together we are working in the best interests of our children to keep our community a safe place.

Stephen Wilkinson  
Principal
